

LE CHÂTEAU BISTRO

CULINARY SPECIFICATION MANIFESTO & PRODUCTION SOP

Document Reference: SOP-REC-2026-V2 • Target: Back-of-House (BOH) Line Chefs / Production Stations • Release Date: May 2026 • Status: Strict Binding Mandate

SECTION 1: LES ENTRÉES (APPETIZERS)

1. Caviar Impérial de Sologne

Menu Price: €140.00

Station: Garde Manger (Larder) | Total Prep-to-Plate Time: 7 Minutes

INGREDIENT BREAKDOWN

Component	Qty	Spec
Sologne Sturgeon Caviar	30g	Chilled Tin
Buckwheat Flour Base	60g	House Sifted
Organic Crème Fraîche	50g	Isigny Raw
Fresh Chives	5g	Micro-Planed
Finely Crushed Ice	As Req	Sub-Zero Bin

Allergens: Gluten, Dairy, Seafood

TECHNICAL EXECUTION STEPS

- Caviar Allocation:** Retrieve a fresh 30g tin of wild-harvested Sologne sturgeon caviar from the 2°C precision larder cooler. Verify the dynamic seal integrity label before plating.
- Ice Service Bed:** Pack the custom double-walled crystal service bowl tightly with crushed ice from the sub-zero bin. Ensure the core cavity is perfectly sized to seat the caviar tin flush with the lip.
- Blini Preparation:** Whisk buckwheat flour with organic milk, egg yolks, and active yeast; fold into whipped egg whites. Cook small 5cm rounds on a oiled cast-iron flat-top at 180°C for exactly 60 seconds per side until pillowy. Secure 4 hot pieces in a folded linen envelope.
- Crème Fraîche Emulsion:** Transfer 50g of raw Isigny crème fraîche into a copper bowl. Whisk rapidly by hand for 45 seconds until soft, uniform peaks form. Do not over-whip into butter.

Architectural Plating: Seat the opened caviar tin firmly into the ice bed. Position the whipped cream emulsion inside a small matching crystal ramekin next to it. Dust the cream with micro-planed chive powder. Run to the pass with the warm linen blini envelope alongside.

2. Foie Gras de Canard Poêlé

Menu Price: €38.00

Station: Entremetier / Saucier | Total Prep-to-Plate Time: 12 Minutes

INGREDIENT BREAKDOWN

Component	Qty	Spec
Duck Foie Gras Medallion	120g	Grade-A Raw
Black Fresh Figs	100g	Quartered
Vintage Port Wine	50ml	Heavy Reduction
Artisanal Brioche Slice	1 pc	2cm Thickness
Hand-Harvested Fleur de Sel	2g	Camargue

Allergens: Dairy, Gluten

TECHNICAL EXECUTION STEPS

- Foie Gras Scoring:** Take a 120g medallion of cold Grade-A duck foie gras. Score one face in a fine 2mm crosshatch pattern using a razor-sharp paring knife. Keep chilled until the exact second of searing.
- Thermal Pan Sear:** Heat a dry, heavy-gauge copper skillet over intense flame until it registers 220°C via infrared. Lay the scored side of the foie gras down. Sear for exactly 90 seconds without moving. Flip and cook the reverse side for 60 seconds. Drain immediately on a warm wire rack.
- Fig Compote Reduction:** In a separate saucier, combine 100g of quartered fresh black figs with 50ml of vintage Port wine. Simmer over low heat for 8 minutes until the fruit collapses and the sugars structure into a thick, glossy lacquer glaze.
- Brioche Foundation:** Toast a 2cm thick slice of fresh house-baked artisanal brioche on the flat-top using a brush of the rendered foie gras fat until golden-crisp (approx. 45 seconds per side).

Architectural Plating: Position the golden brioche toast slice slightly off-center on a heated dark ceramic platter. Cascade the hot foie gras medallion directly on top. Spoon the glossy port-infused fig compote neatly adjacent to the brioche. Scatter 3 grains of Camargue fleur de sel across the seared liver crust.

3. Tartare de Saint-Jacques d'Erquy

Menu Price: €34.00

Station: Garde Manger (Larder) | Total Prep-to-Plate Time: 8 Minutes

INGREDIENT BREAKDOWN

Component	Qty	Spec
Atlantic Scallops (Erquy)	120g	Hand-Dived, Raw
Cold-Pressed Olive Oil	15ml	Tuscan EVOO
Blood Orange Zest	2g	Micro-Planed
Granny Smith Apple	30g	Vacuum-Compressed
Finger Lime Pearls	6 pcs	Fresh Extracted

Allergens: Shellfish

TECHNICAL EXECUTION STEPS

- Scallop Mincing:** Pat the raw Erquy scallops completely dry using lint-free kitchen towels. Using a chilled global knife, hand-dice the scallops into precise 4mm uniform cubes. Do not smash. Place in a stainless steel mixing bowl set inside an ice bath.
- Emulsion Dressing:** Drizzle 15ml of ultra-premium cold-pressed olive oil over the scallops. Gently fold in 2g of freshly micro-planed blood orange zest and a pinch of white sea salt. Use a rubber spatula to avoid bruising the flesh.
- Apple Compression:** Mandoline a Granny Smith apple into 1mm sheets, then slice into thin matchsticks. Place them into a vacuum chamber pouch with 10ml simple syrup and draw a 100% full pull seal to collapse the cell walls, rendering them transparent and intensely crisp.

Architectural Plating: Set a 7cm steel ring mold dead-center in a chilled shallow slate-grey bowl. Pack the dressed scallop tartare inside uniformly, pressing down lightly. Remove the mold. Cross-stack the compressed apple matchsticks neatly on top of the tartare dome. Dot the surface with 6 vibrant finger lime pearls.

4. Velouté de Châtaignes aux Truffes

VEGETARIAN

Menu Price: €29.00

Station: Saucier (Sauces & Soups) | Total Prep-to-Plate Time: 25 Minutes

INGREDIENT BREAKDOWN

Component	Qty	Spec
Ardèche Chestnuts	200g	Peeled, Roasted
French Shallots	50g	Finely Minced
Organic Heavy Cream	50ml	Normandy 35%
Périgord Black Truffle	3 slices	Carpaccio Thickness
Normandy Butter	50g	For Brown Foam
Whole Organic Milk	20ml	For Foam Stability

Allergens: Dairy, Nuts

TECHNICAL EXECUTION STEPS

- Velouté Base:** Sweat 50g of minced shallots in 15g of butter until translucent. Add 200g of roasted Ardèche chestnuts and cover with 300ml of intense vegetable stock. Simmer for 15 minutes. Add 50ml of heavy cream and transfer to a Vitamix blender. Process on maximum speed for 3 full minutes until a mirror-smooth silky velvet cream is achieved. Pass through a fine chinois.
- Brown Butter Aeration:** Melt 50g of Normandy butter in a small pot over medium flame, heating to exactly 140°C until the milk solids turn deep amber and smell intensely nutty. Whisk in 20ml of whole milk, then insert an immersion blender right at the liquid surface to generate a dense, stable foam.

Architectural Plating & Service Protocol: Lay 3 paper-thin sheets of black truffle carpaccio at the base of a pre-heated wide-rim porcelain bowl. Fill a heated silver goose kettle with the screaming hot chestnut velouté. At the pass, crown the truffle layer with a large scoop of the hot brown butter foam. Service staff must pour the hot velouté from the kettle tableside.

SECTION 2: LES PLATS PRINCIPAUX (MAINS)

5. Le Tournedos Rossini Prestige

Menu Price: €68.00

Station: Rôtisseur (Meats) | Total Prep-to-Plate Time: 15 Minutes

INGREDIENT BREAKDOWN

Component	Qty	Spec
Charolais Beef Tenderloin	180g	Center-Cut Barrel
Grade-A Foie Gras Medallion	50g	Raw, Sliced
Black Winter Truffles	10g	Shaved Fresh
Périgueux Sauce Base	60ml	Madeira + Demi-Glace
Clarified Butter	20ml	For Pan Searing

Allergens: Dairy, Gluten

TECHNICAL EXECUTION STEPS

- Beef Searing & Core Thermal Profile:** Season the 180g Charolais tenderloin barrel with sea salt. Melt 20ml clarified butter in an iron skillet over high heat. Sear the steak for 2.5 minutes per side. Transfer to a 120°C holding oven until a digital meat thermometer probe registers an internal core temperature of exactly 52°C (Target: Flawless Medium-Rare). Rest for 4 minutes.
- Foie Gras Medallion:** Sear the 50g foie gras piece in a separate screaming-hot dry pan for 60 seconds on side one, and 45 seconds on side two. It must retain structural hold.
- Périgueux Reduction:** Deglaze the beef pan with Madeira wine, combine with rich veal demi-glace, and fold in minced truffles. Reduce until the sauce coats the back of a spoon with a heavy mirror sheen.

CRITICAL KITCHEN DIRECTIVE — ABSOLUTE PREPARATION BAN

As dictated by executive operational framework (Document ID: POL-2026-V1), the line kitchen completely rejects any customer modification request demanding a "well-done" cook profile for this cut. If a POS ticket requests a well-done temperature, the kitchen management software will halt the order automatically. Staff are forbidden from bypassing this logic.

Architectural Plating: Place a crisp crouton disk in the center of a piping-hot gold-rimmed white plate. Mount the rested Charolais tenderloin barrel squarely on the bread. Top the beef with the seared foie gras medallion. Shave 10g of black winter truffles directly over the liver stack. Spoon 60ml of the glossy Périgueux sauce over the entire assembly.

6. Homard Bleu au Beurre de Corail

GLUTEN-FREE

Menu Price: €74.00

Station: Poissonnier (Fish & Seafood) | Total Prep-to-Plate Time: 14 Minutes

INGREDIENT BREAKDOWN

Component	Qty	Spec
Breton Blue Lobster Tail	1 tail	Fresh, Deshelled
Lobster Coral/Tomalley	20g	Whipped into Butter
White Asparagus Spears	3 pcs	Local, Trimmed
Fresh Lemon Verbena Leaves	5g	For Cream Infusion
Soy Lecithin Powder	1g	For Foam Structure

Allergens: Shellfish, Dairy

TECHNICAL EXECUTION STEPS

- Coral Butter Whisking:** Force 20g of fresh lobster coral through a fine wire sieve and vigorously whip it into 100g of softened sweet Normandy butter until a uniform olive-green paste forms.
- Lobster Precision Poaching:** Submerge the deshelled blue lobster tail into a shallow copper pan filled with the prepared coral butter. Maintain a steady thermal water bath temperature of exactly 65°C. Butter-poach the tail gently for 5.5 minutes until the flesh turns completely opaque and snaps cleanly.
- Asparagus Execution:** Peel 3 spears of local white asparagus. Blanch in boiling salted water for 4 minutes, then transfer to a glaze pan with a splash of coral butter for 60 seconds to coat.
- Verbena Foam Elixir:** Steep 5g of fresh lemon verbena leaves in 100ml of hot light cream for 5 minutes. Strain, add 1g of soy lecithin powder, and process with a hand-held milk frother at a 45-degree angle to create a mountain of aromatic foam.

Architectural Plating: Arrange the 3 white asparagus spears parallel across the center of a wide oblong canvas plate. Rest the coral-butter glazed lobster tail across the asparagus columns. Drape a long, elegant line of the lemon verbena foam elixir across the center of the tail.

7. Risotto d'Épeautre aux Truffes Blanches

VEGETARIAN

GLUTEN-FREE

Menu Price:
€48.00

Station: Entremetier (Hot Sides/Grains) | Total Prep-to-Plate Time: 20 Minutes

INGREDIENT BREAKDOWN

Component	Qty	Spec
Haute-Provence Spelt Grain	100g	Ancient, Polished
Wild Chanterelles & Porcini	30g	Cleaned, Sliced
36-Month Comté Cheese	40g	Finely Grated
White Alba Truffle Oil	2 spray	Atomizer Bottle
Edible 24k Gold Leaf	1 sheet	Prestige Grade
Mushroom Stock Base	250ml	Clarified Infusion

Allergens: Dairy

TECHNICAL EXECUTION STEPS

- Spelt Toasting & Simmering:** Toast 100g of ancient Haute-Provence spelt grain dry in a hot copper rondo for 90 seconds. Begin adding boiling clarified mushroom stock in 50ml increments, stirring constantly. Maintain a rapid simmer. Continue adding stock for 16 minutes until the spelt expands into a rich cream matrix but retains a distinct al dente core bite.
- Mushroom Sauté:** In a separate steel pan, sear 30g of sliced wild chanterelles and porcini mushrooms in a touch of neutral oil for 4 minutes until deep brown caramelization is achieved.
- Mantecatura Emulsion:** Remove the spelt from the flame. Vigorously beat in 40g of finely grated 36-month aged Comté cheese and 20g of cold cubed butter until an ultra-creamy emulsion forms. Fold in the sautéed mushrooms gently.

Architectural Plating: Pour the creamy risotto into a deep, wide heated ceramic bowl, tapping the bottom of the bowl flat so the grain spreads perfectly level. Apply 2 fine atomized mists of the white Alba truffle oil directly over the surface. Using non-magnetic carbon tweezers, position exactly 1 delicate sheet of 24k gold leaf dead-center.

8. Sole de Ligne Petit-Bateau Meunière

Menu Price: €56.00

Station: Poissonnier (Fish) | Total Prep-to-Plate Time: 10 Minutes

INGREDIENT BREAKDOWN

Component	Qty	Spec
Wild Caught Line-Sole	1 fish	Skinned, Trimmed
T55 White Flour	20g	Double Sifted
Clarified Normandy Butter	40g	High Smoke Point
Salted Pastry Butter	30g	For Brown Sauce
Salted Crispy Capers	10g	Dehydrated/ Fried
Charred Lemon Segments	2 pcs	Flesh Exposed
Flat-Leaf Parsley	5g	Fine Chiffonnade

Allergens: Fish, Dairy, Gluten

TECHNICAL EXECUTION STEPS

- Fish Dredging:** Season a pristine skinned line-sole with fine salt. Pass the fish through 20g of sifted T55 flour, shaking off all excess until only a translucent dusting remains on the skin.
- Pan Fricassée:** Melt 40g of clarified Normandy butter in a large oval fish pan over medium-high heat. Lay the sole in carefully. Sauté for 4 minutes on the presentation side until a golden, continuous lace crust forms. Flip and cook for 3 minutes on the reverse side. Remove to an absolute hot holding rack.
- Meunière Froth Sauce:** Wipe the pan. Add 30g of fresh salted pastry butter and cook over a high flame until it starts to froth and turn hazelnut brown. Instantly drop in 2 charred lemon segments, 10g of crispy fried capers, and a handful of parsley chiffonnade. Remove from heat immediately to arrest the cooking process.

Architectural Plating: Lay the golden crusted sole flat on a classic heated silver presentation platter. Just before hitting the expo pass, pour the hot, frothing, nutty meunière pan sauce directly across the center of the fish so it crackles on its way to the table.

SECTION 3: LES DESSERTS (PASTRY ARCHITECTURE)

9. Soufflé au Grand Marnier Rouge

VEGETARIAN

Menu Price: €24.00

Station: Pâtissier (Pastry) | Total Prep-to-Plate Time: 16 Minutes

INGREDIENT BREAKDOWN

Component	Qty	Spec
Grand Marnier Liqueur	15ml	Cordon Rouge
Organic Egg Whites	2 pcs	Room Temp
Caster Sugar	35g	Ultra-Fine
Thick Pastry Cream Base	50g	Tahitian Infused
Madagascar Vanilla Glacé	1 scoop	Sub-Zero Sphere

Allergens: Dairy, Eggs, Gluten

TECHNICAL EXECUTION STEPS

- Ramekin Preparation:** Brush the insides of an 8cm ceramic ramekin with softened butter in strict vertical strokes. Coat the interior completely with caster sugar, tapping out any loose crystals to create a clean upward directional track for the rising batter.
- Meringue Folding:** Whip 2 egg whites with 15g of sugar to a stiff, glossy bird-beak meringue. Whisk 15ml of Grand Marnier into 50g of dense pastry cream base. Fold one-third of the meringue into the cream to lighten, then fold in the remaining meringue with a delicate hand to retain full aeration.
- Baking Lift Parameters:** Pipe the mixture into the prepared ramekin, scrape the top level with a palette knife, and run a thumb around the inner rim. Bake in a static pastry oven at exactly 190°C for 11 minutes without opening the door.

Architectural Plating & Tableside Interaction: Serve the highly elevated soufflé immediately upon oven removal. It must go out with a service runner in under 30 seconds. Present a perfect sphere of cold Madagascar vanilla bean ice cream in a small chilled silver coupe next to it. Service staff must puncture the hot soufflé dome at the table and drop the cold ice cream scoop inside.

10. Mille-Feuille à la Vanille de Tahiti

VEGETARIAN

Menu Price: €21.00

Station: Pâtissier (Pastry) | Total Prep-to-Plate Time: 30 Minutes

INGREDIENT BREAKDOWN

Component	Qty	Spec
Multi-Layer Puff Pastry	3 sheets	10cm x 4cm Cuts
Tahitian Vanilla Pod	1 whole	Scraped Seeds
Whole Organic Milk Base	200ml	For Pastry Cream
Fleur de Sel Caramel	20ml	Liquid Drizzle
Powdered Sugar	10g	For Caramelization

Allergens: Gluten, Dairy, Eggs

TECHNICAL EXECUTION STEPS

1. **Puff Pastry Compression:** Roll out classic multi-layered puff pastry to 2mm. Sand the dough between two sheets of parchment paper and two heavy baking sheets to arrest rising. Bake at 200°C for 15 minutes. Remove upper sheet, dust heavily with powdered sugar, and bake uncovered at 220°C for 5 minutes until deep mahogany-brown and intensely caramelized. Cut into 10cm x 4cm uniform rectangles.
2. **Tahitian Pastry Cream:** Scrape the seeds of a whole Tahitian vanilla bean into 200ml of milk, bring to a simmer, and thicken with egg yolks, sugar, and cornstarch. Cool completely, then whip with a paddle until smooth and glossy.

Architectural Plating: Pipe uniform, pristine bulbs of the vanilla cream onto two of the caramelized pastry rectangles. Stack them vertically, then top with the third clean shatter-sheet. Position the multi-layered tower horizontally on a flat, cold porcelain plate. Pipe a delicate zig-zag drizzle of fluid fleur de sel caramel along the side.

11. L'Or Noir Chocolat Croustillant

VEGETARIAN

Menu Price: €25.00

Station: Pâtissier (Pastry) | Total Prep-to-Plate Time: 45 Minutes (Advanced Prep Req.)

INGREDIENT BREAKDOWN

Component	Qty	Spec
75% Valrhona Chocolate	100g	Single-Origin
Organic Heavy Cream	80ml	Normandy 35%
Toasted Hazelnut Praline	30g	Fine Paste
Feuilletine Wafer Flakes	10g	Crispy Crumb
Cocoa Obsidian Powder	5g	For Shell Dust

Allergens: Dairy, Nuts, Gluten

TECHNICAL EXECUTION STEPS

- Ganache Dome Assembly:** Bring 80ml of heavy cream to a boil. Pour over 100g of 75% Valrhona dark chocolate callets to form a rich, glossy ganache emulsion. Pour into hemispherical silicone dome molds and blast freeze.
- Praline Feuilletine Foundation:** Combine 30g of hazelnut praline paste with 10g of crispy crushed feuilletine wafer flakes and a pinch of salt. Roll out between sheets to a precise 3mm thickness, and cut out circular bases matching the diameter of the chocolate dome mold.
- Enrobing & Obsidian Dusting:** Unmold the frozen chocolate ganache domes and place on a wire rack. Enrobe in tempered dark chocolate to create a crisp outer shell. Before it sets completely, dust with fine black cocoa obsidian powder using a sifter to produce a matte textured look.

Architectural Plating: Place the praline feuilletine base disk flat on a stark white plate. Mount the obsidian dark chocolate ganache dome perfectly centered on top of the wafer. Keep at 14°C until ordered so the core softens to a velvety paste by the time it reaches the guest.

12. Tarte Tatin Contemporaine

Menu Price: €22.00

Station: Pâtissier | Total Prep Time: 12 Hours (Advanced Prep Mandatory)

INGREDIENT BREAKDOWN

Component	Qty	Spec
Pink Lady Apples	3 whole	Peeled, Cored
Normandy Butter Block	50g	Clarified
Caster Sugar	50g	For Caramel Base
Sablé Breton Dough	1 round	9cm Diameter
Raw Isigny Crème Fraîche	30g	Chilled, Quenelle

Allergens: Gluten, Dairy

TECHNICAL EXECUTION STEPS

- 12-Hour Compression Pack:** Shave peeled and cored Pink Lady apples into 1mm thin ribbons using a mandoline. Layer the ribbons tightly into a rectangular terrine mold, brushing every third layer with warm clarified butter and scattering caster sugar. Compress with a 1kg top-weight sheet.
- Slow-Braise Thermal Profile:** Bake the weighted apple terrine in a low-temperature convection oven at exactly 120°C for 12 hours. The sugars will slowly melt, producing a deep mahogany, fully compressed, unified apple block. Cool and cut into 8cm portions.
- Shortbread Foundation:** Roll out buttery sablé Breton dough to 5mm, cut into 9cm round disks, and bake at 170°C for 14 minutes until crumbly and golden.

Architectural Plating: Set the baked round sablé Breton shortbread cookies flat on a plate. Unmold the compressed apple brick and place it perfectly square on top of the cookie disk. Warm slightly under a salamander for 30 seconds. Crown with a clean, smooth 30g quenelle of ice-cold raw Isigny crème fraîche.
